## Judging, Back Room Procedures & Awards

### Judging

- Judges will be professionals in the wine & beverage industry. Names and bio of judges will be available prior to the competition at [enofileonline](#).
- No discussion about the wines will be permitted during the judging.
- Judges' Tasting Notes will be made available to the Entrant.
- Judges will use the following Wine Spectator 100 point scale when rating wines:
  - 95-100 Classic: a great wine
  - 90-94 Outstanding: a wine of superior character and style
  - 85-89 Very good: a wine with special qualities
  - 80-84 Good: a solid, well-made wine
  - 75-79 Mediocre: a drinkable wine that may have minor flaws
  - 50-74 Not recommended

Note: Any wine below 50 will not receive a score.

- **Scoring Methodology:** Each wine will be evaluated by all judges, in a single-blind tasting. Judges will know the vintage, grape(s) or category of a wine, % of each varietal, style and residual sugar; no other information about the wine will be provided to the judges. The lowest score will be dropped; the remaining scores are used to determine Awards, and will be averaged to determine the Final Score.

### Back Room Procedures & Oversight

- A back room manager will be responsible for ensuring integrity of pouring, delivery and coding of the wines.
- An independent party will be on-site to monitor the integrity of the scoring tabulation as well as ensuring integrity of pouring, delivery and coding of the wines.
- Results will be kept confidential until announcement at the Awards Gala.
